School-Site Homework Plan

The principal and staff at each school shall develop and regularly review a school-site homework plan which includes guidelines for the assignment of homework and describes the responsibilities of students, staff and parents/guardians. The plan shall identify all of the following:

1. For each grade level, the amount of time that students shall be expected to spend on homework. Homework time guidelines by grade level:

Grade K - 15 – 30 minutes

Grades 1- 2 - 30 - 40 minutes

Grade 3- 40 – 50 minutes

Grades 4 -5 - 50 – 60 minutes

Grades 6 - 8 - 1.5 hours (20 minutes per academic class)

3. The means by which parents/guardians shall be informed about:
 - a. Homework expectations
 - b. How homework relates to the student's report card.

Elementary: Homework is reported under citizenship/work habits;

Middle School: Not to exceed 10% of the total grade.
 - c. How best to help their children.
4. Techniques that will be taught to help students allocate their time wisely, meet their deadlines and develop good personal study habits.
5. The support available to students to obtain:
 - a. Resource materials from the library media center.
 - b. Assistance and/or tutoring through telephone help lines, school and district web-sites and/or after-school centers.
6. The means by which teachers shall coordinate assignments so that students do not receive an overload of homework one day and very little the next
